

## **Philmont by Brian H.**

Philmont was an electrifying and invigorating experience. We started out on a 2 ½ hour plane ride to Colorado Springs. The next day we went rafting. After that, we proceeded to base camp. The next day we hit the trail. For the following week and a half, we had many day by day adventures including throwing up, shooting fire arms and throwing tomahawks. We wrapped it up with a ceremony at base camp then the next day went home hitting a lightning storm around Philly.
